

# THE ECONOMIC IMPACT OF CO-OPERATIVES AND MUTUALS IN CANADA (2019)

6,367 co-operatives and mutuals are located in every province and territory across Canada

45% of co-operatives are in Quebec

The co-operative sector provided to Canadians

174,000 full-time equivalent jobs

\$6.8 billion in salaries

## GROSS DOMESTIC PRODUCT

**\$49.2 BILLION**

Co-operatives and mutuals contributed 2.5% to Canada's GDP

## TAXES PAID

**\$10.4 BILLION**

\$10.4 billion in taxes paid to all orders of governments

From cradle to grave, co-operatives and mutuals are found in almost every industry in Canada. They provide basic needs like housing and health, financial services and food.
